

# Avoiding Traffic Complications *at the* Indianapolis Motor Speedway

Due to construction on I-465 and closings on the southbound Crawfordsville Rd. exit, alternative routes should be considered while traveling to the Indianapolis Motor Speedway. When Traveling southbound on I-465, take the exit East to 38th St., then follow that to either High School, Moller, or Georgetown Roads, depending on your destination. The Map above has highlighted the possible routes of travel from I-465 and 38th Street to the Indianapolis Motor Speedway.

 Alternative Routes to IMS
