

PLAZA HOSPITALITY VILLAGE

Situated in the shadow of the Pagoda, the Plaza Hospitality Village offers premier corporate entertainment in a tree-lined courtyard setting. The Plaza Hospitality Village is adaptable to client needs, as it can be customized to accommodate from 200 to 3,600 guests.

Amenities include tables, chairs, patio, climate control and closed-circuit television.

"I thought this would be another typical race weekend. Well, if they had held the race on the moon, I could not have been more wrong. To the city of Indianapolis, the Brickyard and the MotoGP organizers, thank you for making us feel like you appreciated us coming to your wonderful city and to visit the greatest track I have ever been to for a day of fantastic racing."
