

OUTSIDE LOTS

REPORTING STRUCTURE

- Outside Lots Coordinator
 - Chris Hitch
- Outside Lots Zone Coordinators
 - Orange Zone – Debbie Stafford
 - Red Zone – Tom Ackerly
 - Green Zone – Sherry Komisar
 - Night Coordinator – Mark Shildmyer
 - Pagoda Command – Chad Bobb
- Outside Lots Supervisors
 - Main Gate – Pat Kohne
 - Lot 2 – Ben Boyer, Breanna Love
 - Lot 3 – David Funk
 - Lot 5 – Roger Townsend
 - Lot 6 – Marshall Putt
 - Green Zone Rover – George France
 - Lot 1A – Matthew Janeway
 - Lot 1B/1C – Shawn Smerdel
 - Bag Runner – Pam Wishmeyer
 - Pagoda Command Nights – John McGee

EMPLOYEE EXPECTATIONS

- Present a friendly and welcoming environment for all guests
- Focus on alleviating any potential anxiety related to parking, camping and traffic direction
- Understand every lot pass and the differences between them
- Understand the importance of checking lot passes at each entrance
- Strict enforcement of lot control procedures in a kind manner
- Ensure all processes are performed in a consistent manner to allow for a consistent experience
- Know the location/direction/striping of each lot
- Know the specifics of all lot operations and traffic flow
- Know how to assist guests with disabilities
- Know your surroundings
- Understand the Color Zones and the nearest open pedestrian gates
- Follow directives from Pagoda Command
- Ensure incident reports are filled out immediately following an incident
- Report all issues and/or concerns to your Supervisor
- Ensure all processes are performed in a consistent manner to allow for a consistent experience
- Utilize daily briefing sheets
- Ask Supervisors or Pagoda Command if you do not know the answer to a question

WORKING IN TRAFFIC IN OUTSIDE LOTS

■ **Outside Lots Traffic Direction Do's:**

- Extend your arms and make exaggerated hand and arm movements.
- To stop traffic, do so with handheld out and arm extended away from your body with palm facing the traffic.
- Give clear instructions using hands and arms held away from your body, waving and pointing in the direction you want traffic to flow.
- Be aware of both vehicle and pedestrian traffic.
- Give priority to emergency vehicles.
- Listen closely to radio transmissions. Changes in traffic pattern or for a specific vehicle may be relayed via radio.
- Be aware of all credentialed parking stickers and refer them to their proper parking areas.
- Be aware of traffic coming from all directions.
 - Constantly look around.
 - Never assume you know what is behind you.

- Be aware of your current situation at all times.
- Watch traffic for pedestrians who may be otherwise occupied.

- Smile and be polite.

■ **Outside Lots Traffic Direction Don'ts:**

- Stand still, remember to move around to allow for proper awareness from different directions
- Point with your finger when directing traffic
- Allow vehicles to stop and clog up intersections or pathways for vehicles
- Hold up traffic by speaking to individuals in vehicles for too long or more often than needed
- Walk away from your post without notifying your Supervisor and waiting for your replacement

PARKING & CAMPING OPTIONS

- **Free Public Parking** – offered in a few limited areas on a first-come, first-served basis
- **Paid Automobile Parking** – sold in 3-day or Race Day only permits
- **Tent Camping** – sold on a 2-day or 4-day basis
- Allows for a 20' x 20' space in a lot that must fit both a tent and the vehicle driven into the lot. No spaces are reserved.
- **RV Camping** – sold on a 4-days basis
- Allows for a 20' x 40' space that must fit the driven RV or the truck and pull behind trailer.
- **Disabled Parking** –Daily parking areas have designated areas for customers with state issued disabled hangtags, placards or license plates. These spaces are very limited and assigned on a first-come first-served basis

PARKING & CAMPING OPTIONS

- **Tent Camping (with or without a vehicle) – 20' X 20' space**
 - One vehicle allowed
 - These passes may be purchased in Lots 1A, 1C, 2, 3 Grass and Lot 4. NOTE: All options are sold out for Indianapolis 500.
- **RV Camping (with or without a towed vehicle) – 20' X 40' space.**
 - Any trailer pulled behind a vehicle (including 5th Wheel Campers) is required to purchase an RV pass only.
 - Both Class-A and Class-C motorhomes also require an RV pass. Examples are pictured on the next slide. No additional auto pass is needed for vehicles towing trailers of any kind.
 - These passes may be purchased in Lots 1A, 1C, 2, 3 Grass, 3 Pavement, 4, 4AP and 6. Towed Autos, Trailers or Motorcycles
 - Any vehicle pulled behind a motor coach or Class-C motorhome.
 - These passes may be purchased in Lots 1A, 1C, 2, 3 Grass, 3 Pavement, 4, 4AP and 6.

OUTSIDE LOT RV TYPES

 - Camping: 7am Thursday – 12pm day after the race (24 hours)
 - Daily Parking: One hour before public gate times May 12-13, 19-21, 26, 27, and 28

GENERATOR PASS PROCEDURE

- Generator passes are sold in advance to some guests in the following lots:
 - Lot 3P
 - Lot 4
 - Lot 4AP
 - Lot 5
 - Lot 6
- Placement of generators available within the lots is pre-determined with the Lot Supervisor. The generators are setup prior to Thursday at 7AM and hook ups are coordinated with United Rentals.
- The number of presold tickets is provided to each lot. These spots are reserved and should only be given to people who present a pre-paid ticket. All camping spaces are pre-sold and only those with pre-paid are allowed access.

LOT SECURITY

■ **Wristbands Required – Lot 1A & Lot 1C**

- Each tent space will receive four wristbands; each RV space will receive six wristbands.
- Guests can purchase an additional 10 wristbands for \$15/wristband through the Indianapolis Motor Speedway Ticket Office, www.ims.com or at the Lot 1C entrance. Guests may only purchase additional if they purchased the parking pass.
- All Lot 1A and Lot 1C guests must wear their wristband for the entire race weekend.
- Any person in the lot who does not have a wristband will be considered a trespasser subject to expulsion and prosecution.

■ **Curfew – All outside lots**

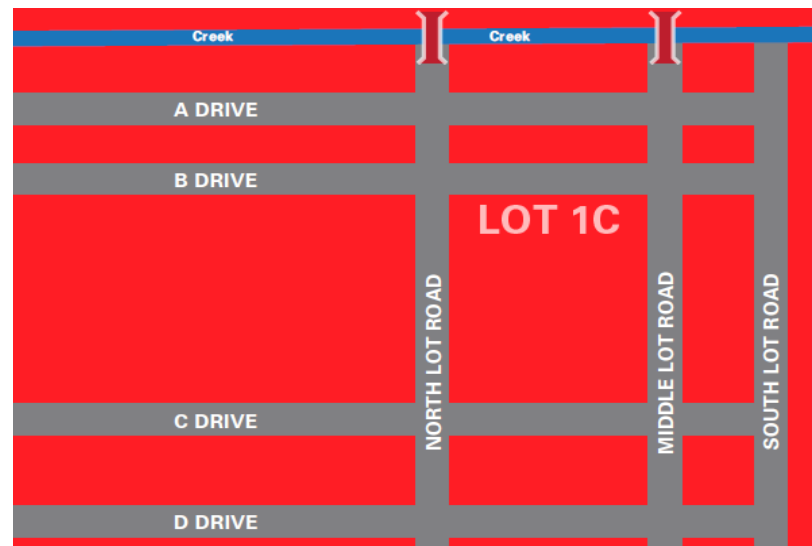

- All campers must be in their own campsites by 1:00 a.m.

LOT 1C

■ Striped Parking Plan – Lot 1C

- The tent and RV areas will employ a striped parking plan and guests will be guided to parking spots with the help of police officers and Safety Patrol employees using ATVs. Guests will be parked according to their arrival, so groups looking to park together **MUST** arrive at the same time.
- There will be separate parking sections for RVs and cars. Therefore, if groups come in an RV and a car, they will not be able to park together. RVs with towed vehicles, however, are allowed.

IMS CAMING POLICY

- Patrons must comply with:
 - all federal, state, and local laws (including, but not limited to, the Indiana and Marion County health department laws, rules, and regulations)
 - the IMS Code of Conduct.
- CAMPING AREAS
 - Between the hours of 1:00 a.m. and the time public gates open, campers must remain in their assigned campsite.
 - ONLY in Lot 1A and Lot 1C on May 25-28
 - WRISTBANDS REQUIRED 1. An RV Pass comes with 6 wristbands; a Tent Pass comes with 4 wristbands. Only the passholder can purchase up to 10 additional wristbands for \$15 per wristband through the Indianapolis Motor Speedway Ticket Office, www.ims.com or at the Lot 1A or Lot 1C entrance.
 - The wristband must be worn the entire race weekend. Any person in the lot who does not have a wristband will be considered a trespasser subject to expulsion and prosecution.
- Each patron is REQUIRED to:
 - have the appropriate parking/camping pass for the area and for the vehicle (and display of that pass).
 - Daily parking is limited to vehicles that hold no more than 15 passengers and fit in a standard parking spot (this includes motorcycles).
 - Camping requires an RV (20x40) or Tent (20x20) Pass.
 - A vehicle that pulls a pull-behind or fifth wheel travel trailer does not require a separate Vehicle Pass.
 - Class A and Class C RVs may purchase Vehicle Passes for up to two towed vehicles.
 - Travel at no more than 5 mph in the parking/camping lots;
 - Keep fire lanes open
 - Keep animals on a leash and clean up after them
 - Respect your fellow campers
 - Be responsible for the safety of their belongings

IMS CAMPING PROHIBITED ITEMS

- The following is a non-exhaustive list of PROHIBITED items
 - Firearms or weapons of any kind
 - Fireworks and flares
 - Unmanned aerial vehicles, commonly known as drones and also referred to as remotely piloted aircrafts, and similar remote-controlled devices
 - Illegal drugs, substances, or drug paraphernalia
 - Trampolines, skateboards, pogo sticks, roller skates, and swimming pools
 - Scaffolds and platforms
 - Box trucks, box trailers, and trailers with golf carts
 - Golf carts, ATVs, scooters, and mini-bikes
 - Excessive noise (as defined by Speedway Municipal Code Section 9.12)
 - Selling of merchandise (e.g., tickets, food, alcohol, firewood, ice)
 - Sampling or passing out flyers
 - Entering another customer's parking/camping spot, unless specifically invited
 - Saving spaces (space is assigned on a "first-come, first-served" basis)
 - Dumping waste or wastewater
 - Any items not mentioned that may pose a safety hazard or diminish the experience of other patrons as determined by IMS.

PARKING PROCEDURES

- The process of parking automobiles in the outside lots is done to maximize the amount of space used in the lot. Outside lots are pre-sold to capacity ahead of the events in many cases.
- Camping spaces are allocated on a first-come, first-served basis in each camping lot. Lot 1C, Lot 2 and Lot 3 escort RVs to the open spaces, as needed.
- Lot 1C is large and will rely on traffic direction for the guests to the stalled spaces in the lot.

2023 CAMPING AMENITIES

- RV Pumping/Dumping: Service Sanitation,
1-800-909-5646
 - Portable Toilets – \$150 *reservations recommended,
contact for delivery*
 - Pump Out – \$45
- Firewood: Bark Farmers, 317-966-1122
